

LYNEX

RECESSED LINEAR SPOT LIGHT

PSLS10W-PC | PSL20W-PC

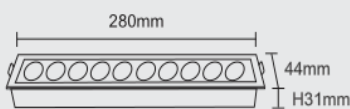

PRODUCT DESCRIPTION

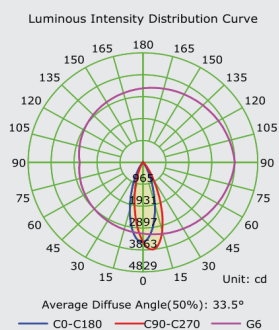

The PROSYS Lynex Recessed Linear Spot Light is a premium architectural lighting solution designed to deliver precise illumination with a sleek, minimalist aesthetic. Engineered for modern commercial, residential, and hospitality spaces, this fixture combines the clean lines of a recessed linear profile with the focused performance of a spot light, providing both ambient and accent lighting in a single elegant form.

 **Warranty : 5 Years**
